

# Flow Chart for Opioid Diversion Program (DPP-O) Referral Process

# Deferred Prosecution

## ●Opioid Diversion Program●

It is the fundamental goal of the Opioid Diversion Program to connect individuals to the best wraparound services that focuses on mental and physical health, to support each participant in sobriety recovery from substance use. The Deferred Prosecution Opioid Diversion Program (DPP-O), as all of DPP, is committed to the protection and safety of the public, while motivating each participant to change destructive behaviors that led to their original offense(s). DPP-O fully utilizes a wide spectrum of community resources to facilitate the completion of participant contracts that are uniquely tailored to each individual.
